

Charlottesville Arrests 4 Area Anti-Integrationists

THE WASHINGTON POST and TIMES HERALD
Tuesday, August 7, 1956

4 White Council Men Face Trial

Four organizers of the Seaboard Citizens Councils will face trial at 9:30 a. m. Saturday in Charlottesville, Va., Police Court on charges of distributing membership applications in Charlottesville without official permission.

The four men, residents of the Washington area, were apprehended by Charlottesville police late Saturday in the Belmont section of the city. The arrests were made following a call from an unidentified resident who was solicited at his home.

Charlottesville police listed the four as John Kasper, 28, 3206 Volta pl. nw.; Edgar Franklin Johnston, 35, 1103 Bellevue st. se.; Floyd Fleming, 50, 905 Quincy st. ne., and Alex Hanna, 32, Temple Trailer Village, Alexandria, Va. They were released late Saturday on \$100 bond.

Kasper, who describes himself as executive secretary of the anti-integration organization, helped organize on June 4 a White Citizens Council for the District. The Seaboard

White Citizens Councils is affiliated with the extremist North Alabama White Citizens Council headed by Asa E. (Ace) Carter.

Kasper said recently he sold the Cadmus Bookstore, 7246 Wisconsin ave. nw., to a friend but still works there occasionally.

Charlottesville Police Chief J. E. Adams said yesterday that the group had applied for permits to distribute printed matter but their requests were denied.

Kasper telephoned protest of the arrests to The Washington Post and Times Herald. The statement said, "This action from City Hall shows a deplorable degeneration in the white man's character when fellow white citizens are denied the right to save their own race from mongrelization."

Meanwhile, the court decree ending racial segregation in Charlottesville public schools is expected to be entered today.

Federal Judge John Paul said yesterday the decree would be mailed to Lottie M. Morrisette, deputy clerk of the Charlottesville division of the U. S. District Court, for entry on the law books.

CHARLOTTESVILLE ATTACK

Open Letter To The White Citizens of Charlottesville, Virginia:

August 7, 1956

Less than one month ago, in a historic decision, the public schools of Charlottesville were ordered to mix Nigras with white Virginians "with all deliberate speed". Every informed white citizen knows that race-mongrelism has been a part of the red's programme to destroy the

Sovereign States and the United States since the year 1926. The Nigra, white-race-hating organization, NAACP, is a red-led organization. Adam Clayton Powell, Jr., Nigra Congressman from Harlem, New York, is a particularly odious and offensive Nigra with an African background. He has been cited by the Un-American Activities Committee as having more than 66 commie-front citations to his name. Powell is a "bad-nigger".

We know, however, that Nigras have never successfully organized anything except a "skin-game" on the corner or a "gin-party". It is the noble white man who has given the Nigra benefit of white-organized Christian civilization, and it is the degenerate white man who has organized the Nigra to destroy the white race in America to establish world commonism.

Why have the reds picked on Charlottesville? What deep weakness has caused corrupt Federal judges and NAACP race-haters to destroy the Anglo-Saxon in Charlottesville?

On Saturday, July 28th, responding to the desperate plea of the white citizens of Charlottesville, organizers from the headquarters of the Seaboard White Citizens Councils located in Washington, D.C., rushed to Charlottesville to set up a Council to attack race-mixers and stop the forced race-mongrelism about to take effect in the public schools of Charlottesville.

They brought with them our ATTACK PROGRAM for Virginia, which is the only totally sincere, extreme segregationist program ever presented to the Virginia State Legislature or any state legislature confronted with race-mixing problems.

The Mayor, Weinberg, the police chief, Adams, and the City Manager, Bolen, said they were deeply impressed with our program. They invited the men back on Monday July 30th at 2 P.M. to meet with themselves, State Senator McCue, a man named Oglesby, and other officials, to discuss our program and our request for permission to distribute our program to the Charlottesville white citizens and hold mass rallies in Charlottesville.

Driving 125 miles, we returned at the appointed time, on Monday, July 30th, at 2 P.M.. No one there. Just Adams who said all the Senators were away, the mayor at his drugstore, and the city manager out to lunch. Adams said they decided over the weekend our literature was "too violent and too emotional and best to keep everyone nice and quiet." No, we could not distribute to the people the only program which completely means SEGREGATION IN VIRGINIA FOREVER and NOT "creeping, spotted, and gradual integration", as envisaged by the political garbage called the "Gray Plan". The "McCue Plan" is weak and little better than the Gray Plan. You can't be a little bit pregnant.

No meetings either. Might cause a commotion.

Then we went to the City Manager. Bureaucrat, no-initiative, no-individuality, no-personality Bolen called our program "disgusting trash".

Then to the Weinberg's drugstore. The little fellow with the limpid, liquid brown eyes and bullet head said: "We have nothing to worry about, by court appeals we can stay segregated for at least six months to a year. Nothing to worry about---nothing, nothing..."

Having met these 'guardians of the people', heard their cowardly statements, their run, run, run, RUN policy we went to Ed McCue's office, expecting something better.

The Senator was in Richmond. In his son, Ed Jr., we did find something better. We found a very personable, intelligent, handsome young man, completely informed on the segregation issue, expressing a willingness to stand up and fight for the white folks. He pointed out to us that the Weinberg in City Hall was pushing "floridation" of the Charlottesville city water supply, an alien scheme to put a poisonous toxic chemical in the water which causes untold damage to the physical body of people. Young McCue said, "We never paid attention to City Hall before and local politics. That Jew---- has been in for 12 years and just re-elected for more. That evil-smelling crowd in City Hall is the gang responsible for Charlottesville being the first city in Virginia to put Niggers in its schools. They are all integrationists!! Wait 'till the next election!!" We admired McCue's frankness and it was only when he said Charlottesville didn't need a dynamic White Citizens Council that we put him in the category of one more politician, willing even at this late hour to sell our children into slavery. McCue said the situation was well in hand and he had been taking care of it.

White Citizens of Charlottesville!! The situation is so well in hand, that your children will go to school with niggers come January.

Leaving your lovely city, home of great Thomas Jefferson, we stopped at a gas station where we met Mr. G. R. Thomas, manager. He had been contacted by the men the previous Saturday, and after talking a few minutes we knew we had met a real man who felt deeply about having his children or his children's children go to school with Nigras. Mr. Thomas courageously offered to serve as chairman of our Charlottesville Council.

We told him we would print applications for Charlottesville and come back on Saturday, August 4th, to distribute them to the people of Charlottesville. We also made it absolutely clear that the \$3.00 dues yearly for each member would stay in Charlottesville to fight race-mixers. If later the members of his Councils agreed by vote, they could send \$1.50 to Washington to pay printing costs.

Our men returned on Saturday, August 4th. We went to the Belmont section of Charlottesville going door-to-door, telling the white citizens who we were, and leaving applications with each person who wanted them, we found the people of Charlottesville WITHOUT EXCEPTION are opposed to niggerism and placing the fair white bodies of their children in the schools beside Nigras. The people are desperate and are pleading for leadership in this fight. The people of Charlottesville we talked with instinctively knew we were the forthright leadership they need and grabbed up each and every application we had with enthusiastic zeal.

Suddenly police cars. Our men were arrested. The charge: distributing leaflets without a permit.

Mr. Thomas, our chairman, was summoned.

In Adams' office, Mr. Thomas and the spokesman for the White Citizens' Councils, John Kasper, were interrogated by a plainclothesman in the presence of Adams. Mr. Thomas was made to tell how he came to know us.

Then the plainclothesman said to Mr. Thomas: "Mr. Thomas, you know you've had no education. You know you can't keep books. You know you can't handle money. You know you can't organize anything. You know you're not smart enough for a job with the Citizens' Councils--"

Mr. Kasper interrupted to say this fish-eyed investigator had nothing but contempt for the working man of Charlottesville. That it was the working people of Charlottesville who would suffer from Nigras entering their schools, churches, restaurants, theatres, homes, and marriage-beds. That Mr. Thomas was manager of a busy gas-station, handled the money there responsibly and organized the daily operation of the station. That Mr. Thomas had more understanding of the evils of race-mixing in Charlottesville than all the City Hall politicians combined, and that the investigator should apologize for such defamatory remarks to Mr. Thomas.

Adams said the judge would decide.

Outside, the men of the police force of Charlottesville were giving tacit support and encouragement. They asked for applications. They were embarrassed and ashamed of what their "bosses" had done: arrested white men who were fighting for the white man, and without cause or provocation.

We say without cause because the White Citizens' Councils are a non-profit educational organization. We were not soliciting money (which a plainclothesman in a brown suit and a reddish face and who likes to go fishing viciously accused us of.) We were not advertising. We were not selling anything. We were only speaking personally to residents of Charlottesville on our own time and money, giving applications and stating they should be sent into the Charlottesville address when filled out. We did not need a permit because at no time did we conflict with Chapt. 9, sect. 30 of Charlottesville Code. We gave no written literature, applications only.

Bond was set at \$400.00.

When bond was set so high, we immediately called Ed McCue for help. His wife answered the phone and said he was taking a nap. We explained we had passed out applications, been arrested, needed bond and could he help or suggest a bail bondsman. McCue's wife returned to say he only knew of a bondsman named Brown near the Monticello Hotel. Ed Jr. could not stir himself to see what white men were in trouble and why. Meanwhile the NAACP marched on to mongrelization in Charlottesville.

When we pointed out to Adams that bond was ridiculously high for a misdemeanor, it was reduced to \$100.00. A hearing is set for 9:30 A.M., Saturday, August 11th.

Citizens of Charlottesville!! Alert. Wake up! Find out what stinks in City Hall! Be at our hearing. See in person the scoundrels who have let your city be put under attack by the reds, NAACP, pinks, race-haters and mongrelizers.

Be there Saturday. Fight the battle of Charlottesville with the White Citizens' Councils attorneys. Honor, pride, fight, SAVE THE WHITE!!

Secboard White Citizens' Councils
